Dear AIP members,

I write to you today while proctoring a friend’s CP exam. Being a part of her efforts to step to the next level in AIP membership has been meaningful to me, and I (again!) encourage each of you to take that next step in earning your parliamentary credentials.

So what has been going on in AIP since we last spoke? There was a very successful East Coast Practicum. Thanks to Mary Remson, CPP-T, PRP, for her efforts in coordinating, Al Gage, CPP, PRP, for his role as Curriculum Director, and Joe Theobald, Ph.D., CP-T, PRP, for his work as the primary instructor. John Stackpole, Ph.D., CPP, PRP, presented a wonderful program on the vagaries of voting with more than two choices, and E. Marie Wilson, CPP-T, PRP, updated those attending on changes in the accrediting program. Three “voting clicker” vendors were on hand on Saturday to explain and demonstrate their products, and in the afternoon members got to talk more in depth to the vendors and see their products up close. If you missed it, you should be regretting that fact right about now!

Next up in the AIP calendar is the 2018 Annual Session, being planned by Alison Wallis, JD, CP-T, PRP. The Annual Session will be held August 2-4, 2018, at Le Pavillon Hotel in New Orleans. Alison has rounded up a great field of instructors. Keesey’s Modern Parliamentary Procedure (2nd edition), edited and updated by members of AIP, will be introduced, both with a reception on August 2 and with a workshop to learn more about the book, and there will be a Robert W. English lecture focusing on the intersection of Mr. English’s philosophies with Dr. Keesey’s work. (In fact, Robert English’s foreward to the book was retained in this second edition!) The evening before the Annual Session I hope to see lots of members join us on the Creole Queen for a dinner and boat ride.

The Board will have its final meeting of this administration on

“What lies behind us and what lies before us are tiny matters compared to what lies within us.”
--Ralph Waldo Emerson

Another Annual Session is almost here! What excitement! What anticipation!!

What a good time to say THANK YOU to our officers and staff for adeptly, cheerfully, and willingly guiding us through another year! I tip my metaphorical hat to all who have helped us pursue AIP goals in 2017-18 through fiduciary responsibility, masterful record-keeping, goal-setting and accomplishing, especially to Madame President Kay Crews for guiding goal setting and meaningful organizational change.

A special thanks as well to staff member Betsy Hilt [so fortunate for us that we did not lose her in the recent staff shuffle]! And to Jonathon Jacobs who somehow continues to get a quality product PJ out with little help from most of us!

This Emerson quotation especially resonated within me – we’ve come a long way and great things are ahead but it’s time to reflect on what is peacefully resting dormant within each of us just waiting to be unleashed!

SECRETARY’S NOTICE:

Standing Order 9.9 Notice of Candidacy, states:

9.9 Notice of Candidacy. Any person wishing to give notice of candidacy for office at the annual session shall send to the AIP Secretary a statement setting forth the notice of candidacy.

This notice shall be not more than seventy-five days prior nor less than sixty days prior to the annual session. The secretary shall forward these notices to the editor for publication in the pre-annual session Communicator.

NOTICE OF CANDIDACY

In accordance with Standing Order 9.9, the following individuals give notice of their candidacy:

President
Kay Allison Crews, CPP, PRP

Treasurer

Vice President

Carolyn Hoxie
Clyde E. Waggoner, DMD

Secretary
Robert M. Peskin, DDS

* Candidate Statement Available at www.aipparl.org
Candidates may also be nominated from the floor.
August 1, again at the Le Pavillon Hotel. We will begin at 8 am, and the Board meetings are open to all members (except when the Board meets in closed session.)

This issue of the Communicator is the official Call to the Annual Session – so check out the work of the Bylaws Committee (led by Colette Collier Trohan, CPP-T, PRP) in their report included in this issue. Also, you will find notification from the Accrediting Department of a proposed change in the parliamentary authorities tested on the CP and CPP exams, and notification from the Secretary of those individuals who have announced their candidacy for offices and the board of directors.

There are a LOT of people doing a LOT of work behind the scenes for AIP! BUT, a couple of gaps could still be filled: How can you help AIP? We’re looking for the following:

• **Basic education.** Many of our members get their first taste of parliamentary procedure in AIP. These members tell me that basic information about parliamentary procedure – especially basic information based on AIPSC – would be helpful. I’m looking for someone to create some educational materials for the website – perhaps PowerPoint based – to help these members.

• **Keesey education.** Keesey’s Modern Parliamentary Procedure may be another opportunity for some educational materials. For this product, I’m hoping someone will volunteer to produce a workbook or a side-by-side comparison document. The vision would be a written work that would be sold on Amazon.

If you think you can help with one of these tasks, please let me know at president@aipparl.org!

I hope to see you, too, at an AIP event this summer. Remember to keep looking for ways to help advance the cause of AIP.

Kay

**Notice of Proposed Change In The Authorities for the Accrediting Exams**

AIP’s bylaws require that the members approve changes in the parliamentary authorities used for examinations, with previous notice given with the call to the meeting.

Therefore, the Accrediting Department moves to amend the list of parliamentary authorities as the basis for the oral examination for Certified Professional Parliamentarian, effective January 1, 2019, by striking out “Demeter, G. Manual of Parliamentary Law and Procedure, Blue Book Edition, 2001.”

If approved, the authorities used for the oral examination for Certified Professional Parliamentarian will be:

And further amend the list of parliamentary authorities as the basis for the written examination for Certified Parliamentarian, effective January 1, 2019, by striking out “Demeter, G. Manual of Parliamentary Law and Procedure, Blue Book Edition, 2001.”

**Current Language:**

Officers and directors shall be elected at the annual session by a majority vote by ballot.

**Proposed Changes:**

Officers and directors shall be elected at the annual session by a majority vote by ballot except that when the number of nominees is equal to the number of positions available, the presiding officer shall declare the candidates(s) elected, and no ballot shall be required.

**If Adopted:**

Officers and directors shall be elected at the annual session by a majority vote by ballot except that when the number of nominees is equal to the number of positions available, the presiding officer shall declare the candidates(s) elected, and no ballot shall be required.

**Rationale:**

The bylaws committee has discussed this motion referred from the 2017 Annual Session. We find that acclamation is acceptable under AIPSC, and can save time for other more important matters when write-in votes are highly unlikely to achieve the necessary majority.

### Current Language:

13. **Dedicated Funds.** Dedicated funds are those which are gifted to AIP for a specific purpose by a donor. Individuals who support that purpose may make additional donations to these funds. There shall be the following dedicated funds: Lee Demeter Fund; Rose Dhein Fund.

13.1 **Lee Demeter Fund.** Funds in the Lee Demeter Fund are to remain in an invested fund, except that the income earned shall be transferred to the general accounts of AIP.

13.2 **Rose Dhein Fund.** Funds in the Rose Dhein Fund are to remain in an invested fund, except that the income earned shall be transferred to the budget line item for educational printing.

### Proposed Changes:

13. **Dedicated Funds.** Dedicated funds are those which are gifted to AIP for a specific purpose by a donor. **Said donations shall be designated by account line item, used for their intended purpose, and included in the annual financial report to the members.** Individuals who support that purpose may make additional donations to these funds. ### If Adopted:

13. **Dedicated Funds.** Dedicated funds are those gifted to AIP for a specific purpose by a donor. Said donations shall be designated by account line item, used for their intended purpose, and included in the annual financial report to the members.

### Rationale:

It has been determined by research into AIP financial records that the Demeter ($6,000) and Dhein ($5,000) investment funds were transferred in 2009 from the Vanguard MMF account to the AIP checking account operating funds and no further record of accounting for those funds has been found. The balance sheet for FYE May 31, 2010, shows a zero balance in Vanguard for both funds. Reference to these named funds is no longer applicable in the AIP Standing Orders.

**If Adopted:**
Any person authorized to sign checks or receive funds shall be bonded. If an association management company is providing these services, the company shall be required to furnish AIP with a Certificate of Liability insurance that includes Employee Theft coverage.

**Rationale:**
A fidelity bond can be obtained for an employee performing this work under an Employee Dishonesty Bond. Current standing order is not applicable to an association management company that is contracted to perform this work. AIP has on file a current certificate of insurance for this coverage from XMI.

### Current Language:
When an individual spends personal funds for AIP obligations, a request for reimbursement shall be submitted with appropriate documentation on an approved voucher to the AIP Treasurer. The treasurer will reimburse expenses authorized in the annual budget within forty-five days if appropriately documented. If the expense requires approval of the budget and finance committee and the board, the treasurer will reimburse the expense within thirty days following the final approval. No expenses incurred in a prior fiscal year will be reimbursed after May 15.

### Proposed Changes:
When an individual spends personal funds for AIP obligations, a request for reimbursement shall be submitted with appropriate documentation on an approved voucher to the AIP Treasurer **within thirty days of incurring the expense or the conclusion of the event**. The treasurer will reimburse expenses authorized in the annual budget within forty-five **thirty days of receipt** if appropriately documented. If the expense requires approval of the budget and finance committee and the board, the treasurer **shall** reimburse the expense within thirty days following the final approval. No expenses incurred in a prior fiscal year will be reimbursed after May 15.

### If Adopted:

The treasurer will reimburse expenses authorized in the annual budget within thirty days of receipt if appropriately documented. If the expense requires approval of the budget and finance committee and the board, the treasurer shall reimburse the expense within thirty days following the final approval.

### Rationale:
There is no due date for submitting expense reimbursement requests to the treasurer. Forty-five days for each step is longer than needed. Thirty day submission/payments provide more timely processing of AIP expenses and easier accounting.

AIP has two separate ways we earn money from Amazon: through the AmazonSmile program and through items in the AIP bookstore at our website.

Items purchased through the bookstore pay us a higher rebate, but only if the item is actually listed in the bookstore. For that reason, some “gavel” items (jewelry, clothes, and um, gavels) are going into the AIP bookstore.

Put higher priced purchases and gifts into the AIP bookstore and purchase them through the bookstore for a higher donation to AIP. Anyone who would like to coordinate that type of activity need only contact President Kay Crews for help!

This is “free money” for AIP, and anyone who supports these programs is also supporting our professional organization!!
