California Practicum Taking Registrations

Winter weather has arrived in most parts of our country. However, in Southern California—the weather is great!

You’ll want to take advantage of this opportunity to escape the winter weather, plus have a wonderful learning experience, by attending AIP’s 29th Annual California Memorial Practicum, on January 28-30, in Ontario, CA.

The Doubletree Hotel is very close to the Ontario Airport. And, they provide free shuttle service. For those arriving early, there will be an informal get-together on Wednesday, January 27.

Additional registration information can be found on Page 3.

The educational road show begins in Ontario, California with the Lucas Practicum in January. This year’s practicum will focus on “Nominations, Elections, and Methods of Voting.” From that kickoff, the road show will journey to Alabama State University on February 6th (Effective Meeting Management); Chicago, Illinois on March 6th (Building Accountable Boards); Calgary, Alberta in April (Effective Government Meetings); Washington, DC in May (Governance and Not for Profit Law); and end up with the Riddick Practicum in June. Wow—and this does not even include the Business Development Institute, the Teacher Credentialing Course or the other fine member-focused learning opportunities that will be held at our 50th Annual Session in July.

I encourage you to place these dates on your calendar and also share them with clients, friends and other organizations that you believe could profit from these events. AIP’s progress over the past year is clear and now YOU can spread the word: AIP has our act together and we’re taking it on the road! See you there.

Taking Our Act on the Road

“I’m getting my act together and taking it on the road!” proclaims the heroine of the popular 1970’s musical. AIP is now able to sing the same tune as we take the next step in our master plan to grow our brand and evolve AIP into a stronger and more public oriented organization. Over the next few months, in order to increase the exposure of the AIP brand throughout the United States and Canada (as well as to continue to build our membership ranks), AIP will sponsor a series of workshops aimed at various segments of the public. These workshops are a direct result of the creative thinking demonstrated by our members at the New Orleans Annual Session when they voted to fund educational “road shows” across the country. Now our education department is working hard to make these ideas a reality.

This is a critical step for AIP as we shift our focus from exclusively serving our fellow parliamentarians to making our services available to everyone. These road shows will not just provide us an opportunity to expose AIP to a wider number of groups but they will also demonstrate to others the high quality of education that is available through AIP. The road shows also offer us a great opportunity to listen and absorb what these groups perceive as their needs in the areas of meeting management and governance training. At the same time, we can offer them new insights into how effective governance and consistent procedure can make them better leaders and foster more productive meetings within their organizations.
Every board has one main purpose—to make and execute quality decisions. However, even the best board can be derailed by personality clashes or inherent flaws in its system. *101 Boardroom Problems and How to Solve Them* offers readers practical tools to prevent and deal with every difficult situation, from collective impatience and indecision to rivalries and conflicts of interest.

~Coming Up! 2010 Annual Session, Ontario, CA~

July 15 - 17, 2010 • Ontario Doubletree Hotel
This is a final call for “request for proposals” for presentations to be offered at the 2010 AIP Business Development Institute. The Institute is scheduled for July 14, 2010 in Ontario, CA. The AIP Annual Session will begin the following day (July 15, 2010) at the same hotel location.

As in past years, the 2010 Business Development Institute is designed to focus on the business side of serving as a practicing professional parliamentarian.

Presentation topics are not being sought on parliamentary procedure per se. Instead presentations are being sought which explores areas such as marketing, tax and legal issues, defining ethical conduct, and other business related topics relevant to the professional parliamentarian.

As an example of the type of workshops being requested, last year’s workshop topics included:

- Business realities of serving as a professional parliamentarian
- Legal implications of giving advice as a professional parliamentarian
- Ethical conduct of a professional parliamentarian
- Professional development for practicing professional parliamentarians

One-page workshop proposals should include: (1) title of workshop; (2) a short paragraph description of the objectives of the workshop; and, (3) names of presenters. Workshop proposals should be designed to fit into one-hour time blocks.

AIP is not in the position to offer a presentation honorarium to presenters. Likewise AIP will not be able to offer reimbursement to presenters for travel, housing, and meals.

AIP will waive the Business Institute registration fees for presenters. Also, AIP will cover A-V equipment rental needed for presentations and the cost of duplicating any handout materials.

It is our sincere hope that you will consider offering your experiences and expertise as they relate to the business side of the life of a practicing professional parliamentarian. These are topics that can be easily overlooked in our training sessions; however, they are critical aspects of serving as a professional parliamentarian.

AIP truly needs your help in making this the best Business Development Institute ever. Please mail or Email your proposal to:

MEMBER PROFILE:

PHILIPPA ELLIS

“ONE OF THE THINGS THAT QUICKLY BECAME APPARENT WAS THAT THERE WERE PROFESSIONAL PARLIAMENTARIANS IN ATTENDANCE, THAT THEY LOVED WHAT THEY DO, AND THAT THEY ARE PERPETUALLY LEARNING AND HENCE ATTENDING SEMINARS.”

PHILIPPA IS ONE OF AIP’S NEWER MEMBERS.

In 2008 she attended an AIP parliamentary seminar weekend in Peterborough, Canada (near Montreal).

Philippa is a trustee for the Halton District School Board. “The whole parliamentary style of meeting was new to me, and a little intimidating. I thought that the seminar would be a good way of sorting out some of the more perplexing parts. I was not disappointed. In fact, I and my fellow trustee found it to be one of the most valuable professional development sessions we had attended since being elected in November 2006.”

The experience of meeting others interested in the subject got Philippa interested enough to join AIP, and the Toronto Chapter #51. She looks forward to the opportunity to stay in touch with professionals who are willing to entertain questions.

“Due to my schedule and other responsibilities, it is unlikely I will be able to attend every Chapter 51 monthly meeting but I am going to try.

“I feel very new, but the people are friendly and are on a continuous learning curve, and I figure that even if I only pick up one or two tidbits or even just a review, then it will be worth the trip into Toronto. I hope that I will remember them and have an opportunity to put them into use in the Boardroom.”

AMENDMENTS TO THE BYLAWS

REMINDER!

The Bylaws Committee will accept proposed amendments at this time. Their next meeting is scheduled for January.

Please submit your proposed bylaws amendments to Helen T. McFadden, Esq. at bylaws@aipparl.org.
